Correspondence

To the Editor of "The Delta Times":
Dear Sir,—In referring to "violet-drill" in a recent service, I made a statement which was unfortunately misinterpreted. I said some Government Commission had been organized. I did not, however, say that the Government had organized it. I only said that the Government had been organized. I am sorry that I did not make myself clearer. I am sure that you will understand my meaning. I am, Sir, your obedient servant,

Temperance Education Among the Boys and Girls

May we be permitted to draw the attention of the readers of the boys and girls of our Sunday School to the course of lessons on "Alcoholic Temperance," which are being taught by a few minutes each Sunday, by the Junior, Intermediate, and the Senior classes. This course of 12 lessons is being compiled by the World's Federated Women's Christian Temperance Union, involving an expenditure of thousands of dollars. One lesson each week, appearing in the Northern Messenger, a copy of which is distributed to every boy and girl in the above mentioned classes. It is intended to make the lessons more interesting, a local competition has been arranged, girls have been competing for a first and second prize of \$2.00 and \$1.00 are being offered to the boys who will take the least examinations in the Junior Division. This includes Martin Bigger's class only. A first and second prize of \$2.00 and \$1.00 to the girls who will take the least examinations in the Junior Division. This includes Martin Bigger's class only. A first and second prize of \$2.00 and \$1.00 to the girls who will take the least examinations in the Junior Division. Craigville News

Some time ago on Monday morning the Craigville Trading Company store was broken into by taking the glass out of the rear window near back door. \$150.00 was taken from the safe, and also two bonds, one for \$1,000.00, and one for \$50.00. The work would appear to have been done by an experienced burglar. The Delia, the proprietor, discovered the break at 7:30 Monday morning, and immediately telephoned the police at Hays, and Constable Hanna from there was in town here inside an hour, considering the state of the roads, was certainly the first going. Investigation being continued, but with what result is not known.

Mr. A. W. Read met with a very angry accident on Monday when he was riding on his electric motor, and was severely injured. He was standing by D. Hicks and taken to the Hospital, but later was able to go home. We trust that his hand will be all right again.

We regret to state that Mrs. R. W. Griffith has been confined to bed with a severe cold, and that her husband will be all right again.

Old School of Agriculture

The School of Agriculture at Orla has arranged to have the display of students' work on the afternoon of Saturday, March 22nd. The closing exercises will be on Friday, March 23rd. Articles that have been made by students during the year, and which are of a practical nature, and put on display for a period of one half day. The idea of the display is to provide an opportunity for the students to see the work that they have done, and to see the work that has been done by other students. The display will be held in the practical exercises at the school.

The closing exercises at the school mark the conclusion of the first month's school year in both the Agriculture and Domestic Science two year courses. The diplomas are presented to the second year students who are successful in their studies. The prizes and honorariums are awarded. The students who are successful in their studies are awarded. The students who are successful in their studies are awarded.

Auto Production in Canada Expands

Automobile production in Canadian factories during 1929 amounted for the whole of the year to 320,295, an increase of 10 per cent over the previous year, the growing popularity of colored cars being indicated by an increase of 13 per cent.

Truck output increased 26 per cent. Exports of passenger automobiles during the year were 16 per cent. The total value of exports in cars of the \$500 to \$1,000 class. Truck exports were 56 per cent. larger than in 1928, the chief reason being the increase in the 1 to 1.5 ton class. Truck imports during the year dropped 27 per cent. from the 1928 figure of 1,200.

There was an increase of 26 per cent. in the movement of cars listed at less than \$1,000.
